THE OPENING OF A NEW ERA

A New Year dawns for the first time on the New Alumni organization program. A New Year dawns for the first time on real developments for the New Juniata College Auditorium. But most important a New Year dawns for all of us—a year which your editors sincerely hope will be replete with success and happiness for all.

The year 1940 also marks the beginning of a year in which Juniata needs you for your personal contribution of good will and active cooperation in all her endeavors. Present developments on College Hill present a challenge for all of our energies and abilities in order that our Alma Mater may continue to grow in service.

We enter 1940 confident that it presages a new era of development for "The Little College set in the midst of a thousand hills on the banks of the blue Juniata."

The Alumni Bulletin is published at Huntingdon, Pennsylvania, four times a year, January, April, July, and October by Juniata College and the Juniata College Alumni Association. Advertising rates furnished upon request. Editorial Board: Harold B. Brumbaugh, '33, Alumni Secretary; Telford B. Blough '27, Executive Committee; and Richard C. Allen, Publicity Director. All correspondence should be addressed to the Alumni Bulletin.

JUNIATA COLLEGE BULLETIN

VOLUME XXXVII

JANUARY, 1940

NO. 1A

Entered February 6, 1904, at Huntingdon, Pa., as second-class matter under Act of Congress of July 16, 1894.

David Emmert, and Joseph E. Saylor.

The first catalogue of the institution makes this statement: "No attempt is made to enforce sectarian dogmas or doctrines, yet we have no sympathy with that system of education which confines its efforts to the training of the intellect." This broad-minded emphasis upon the essential need for Christian education has been characteristic of the College from the beginning; and while profoundly loyal to his own church, this spirit animated Professor Swigart always. Shortly before his death he referred with much appreciation to the cordial spirit which he had always recognized as ex-

He loved the College "set in a thousand hills" and he loved the thousand hills, lifting his hat always, it is said, when passing the peak we call "Terrace." He was an enthusiastic fisherman and a "fisher of men" equally earnest. The College to him always meant opportunity for individual influence, and I personally am glad to testify to the beneficent result of kindness that is radiant after half a century, and to encouragement guided with prayer that has given strength for the responsibilities of later years. I can but repeat a thought I tried to express as we paid tribute to him in the Stone Church on his funeral day. The quiet influence of his Christian life, the forceful lessons of his faithful fruitful ministry and teaching have built something into the lives of those of us who knew him, and into the College and the Church he served that will long abide as a rich heritage for our world.

There should be added to this tribute an additional word respecting the little woman who for fifty-seven years made her own contribution to the life and work of Professor Swigart. She joined him on the other side only eleven days later. Her going emphasizes the fact too often overlooked, that it was not only a group of devoted men who were responsible for the founding of Juniata College, but that much of their inspiration and encouragement came from the consecrated women who built behind the College the values of the Christian home. The names of many of them will come back to those who will read these words. The fragrance of their beautiful lives still lingers on College Hill though most of them now are at home in the Father's house. They have built their lives into three worthy indispensable institutions of our world—the church, the Christian home, and the Christian college. May those of us who carry on prove worthy of the heritage they have left us.

The President Speaks

One by one the men who laid the foundations upon which we are building on College Hill are passing on to their rewards. Dr. William J. Swigart was in his ninetieth year when he passed away on November 22nd, 1939. He had retired from active service in 1920 but for the forty years preceding this he had been a most familiar figure on the campus, in the chapel, in the classroom, and in the office of the treasurer.

He is the last of that group of men who were the trustee-founders of the Brethren's Normal College, now Juniata College. These men were: Dr. A. B. Brumbaugh, Elder H. B. Brumbaugh, Elder J. B. Brumbaugh, Professor J. M. Zuck, Elder James Quinter, and Elder W. J. Swigart. He was also one of another small group of men who after teaching all day would spend much of the night planning how the institution might live. Professor William Beery is the only one now remaining of that group which included Professors J. H. Brumbaugh,

isting among the ministers of the Huntingdon churches.

To the early students and graduates of the College his reading of the Scriptures and conducting of the chapel services were a vital part of their education, and his Sunday sermons were much appreciated by all students of the College. His teaching of elocution and Bible subjects enabled him to render a special contribution to those who were planning for the ministry, and this training has been valuable to many ministers and missionaries, some of whom finished their work before him.

At the commencement exercises of 1935 it was a personal pleasure to confer upon him at the behest of his colleagues on the Board of Trustees the honorary degree, Doctor of Divinity. In view of his long-time ministerial services and his teaching of the Bible this honor might well have been given him earlier as was attested by the many who commended this recognition.

With Our Women's Leagues . . .

The JOHNSTOWN Chapter of the Juniata Women's League held a hostess party in the Roxbury Church of the Brethren social hall on October 9, 1939. The hostesses entertained their more than 200 guests around beautifully decorated tables. Dr. Olin G. Barker, a prominent Johnstown oculist who has traveled recently in Australia, New Zealand and the Hawaiian Islands gave an illustrated lecture. The officers elected at this meeting are as follows: President, Mrs. Verna Statler Seese '24, Acad.; first vice-president, Mrs. Florence Englar Norris Ex. '01; second vice-president, Rachel Treece '27BS; secretary Anna Gertrude Price '22AB; treasurer, Agnes Beam '27BS; program committee chairman, Mrs. Myra Hoffman Hower '04NE; entertainment committee chairman Mrs. O. C. Mays; membership committee chairman, Mrs. Charles Koontz.

The HUNTINGDON chapter of the League met in the College social rooms on October 3, 1939, at which time Mrs. John T. Peters gave an address on her recent trip abroad. In December the League cooperated with the Huntingdon Civic Club, the Music Club and the American Association of University Women in the annual All Club Night.

Officers of the League are: President, Mrs. C. V. Mierley; vice-president, Mrs. C. C. Ellis '99NE; second vice-president, Mrs. Samuel Gehrett Stud. '03; secretary, Mrs. Bert I. Black; treasurer, Mrs. C. L. Rowland. Mrs. Forrest Jackson '28BS is chairman of the program committee, Mrs. Samuel Hess '09 Acad. of the membership committee, Mrs. M. R. Swartz and Mrs. E. S. Kiracofe co-chairmen of the social committee. Mrs. I. Harvey Brumbaugh is acting corresponding-secretary.

The ALTOONA League held two meetings this last fall, the first held on September 29, 1939, at the Twenty-eighth Street Church of the Brethren. The speaker of the evening was Prof. Jack Oller of the Juniata College faculty. He showed moving pictures including excellent color photos and scenes from European countries, Palestine, and Egypt. Refreshments were served to about 100 people.

On December 18, 1939, the League met at the Allegheny Furnace Women's Club House for their Christmas meeting. The theme of the meeting was the meaning of Christmas. A gift exchange was enjoyed by forty women. The officers of the past year will continue in their respective offices for the coming year. They are: President, Martha Mentzer '23AB; corresponding secretary, Mary Ford '32AB; recording secretary, Mrs. Ada Sell '20AB; treasurer, Mrs. Bertha Dillen Ex. '19. The two vice-presidents are the wives of the two Altoona Church of the Brethren pastors, Mrs. Lois Detweiler Norris '25BS and Mrs. Walter S. Long.

Travel was the theme of the MORRISON'S COVE chapter meeting in the New Enterprise Church of the Brethren on October 13 when Dr. Calvert N. Ellis '23AB of the Juniata College faculty spoke on the relation of the European condition to America. Entertainment was supplied by Carolin Snider '40BS, Mary Blattenberger '41BS, Prof. George Clemens '36AB, and Miss Susan Replogle, S. S. '27, '31. Refreshments were served by the home economics class of Miss Ruth Snoberger '36BS.

Newly elected officers are: President, Mrs. Mary Carper Ake '32BS; vice-presidents, Mrs. Edna Ober Snider '12NE, Mrs. Ruth Williams Replogle '17AB, Mrs. Marguerite Shelly Keller Ed. On Friday evening, September 15, 1939, the WAYNESBORO Women's League met at the home of Mrs. W. Clay Wertz. The League was delighted to have with them Prof. and Mrs. J. E. Oller. Prof. Oller gave the Waynesboro people some first hand news from the college after which he showed several reels of pictures which he had taken during the year and a half which he and Mrs. Oller had spent abroad.

The October meeting of the WAYNESBORO League was held Friday evening, October 19, 1939, at the home of Mrs. D. G. H. Leshner. The speaker at this meeting was Mr. John J. Shank, Borough (Waynesboro) Chemist. Mr. Shank spoke on some interesting phases of laboratory work. He told of instances in which the Wayne Laboratories have helped to solve criminal cases which have appeared in the Waynesboro local court. He also explained the method of testing the Waynesboro milk supply. Mrs. L. K. Ziegler gave a report of the Juniata Parents' Day. The program also included a piano solo by Dorothy Metcalfe '36AB and a reading by Mrs. H. L. Berkey.

The new officers of the League for the present year are: President, Mrs. W. C. Wertz '11AB; vice-president, Mrs. Edwin H. Rinehart; recording secretary, Pauline Stoner '35AB; corresponding secretary, Mrs. LeRoy Maxwell '35AB; treasurer, Mrs. Howard Snider.

The late Rev. Dr. and Mrs. William J. Swigart

The Rev. Dr. William J. Swigart

Whereas the passing of the Rev. Dr. William J. Swigart on November 22, 1939 removes from their ranks the oldest member of the Board, the Trustees of Juniata College desire to place on record their appreciation of his long life of service for the College and their sense of loss in the absence of his wise and prayerful counsel in the deliberations of the Board.

His service to the College was noteworthy not only for its length but also for its varied phases. His trustee service reached back to 1878 and covered sixty-one years. During forty years of his college connection he served in the dual capacity of teacher and treasurer, and for two years he was chairman of the faculty. His ministry to the students of the College in the chapel and in the pulpit was for many years a vital contribution to their education. When he retired from active college service in 1920 he continued his vital interest in the progress of the institution and in the duties of his position as a trustee of the College. He also continued actively his work as a minister of the Church of the Brethren.

Be it resolved, therefore, that we thank our Heavenly Father for this gift of life which was devoted to the welfare of our College, and that we hereby express to his family our sincere appreciation of it and of the privilege of association with him in the cause of Christian education.

Executive Committee Meeting

The Executive Committee of the Alumni Association met in the office of the President on Friday afternoon, October 27, 1939, at 3:00 o'clock.

Present at the meeting were President Judy, First Vice-president Stayer, Dr. C. C. Ellis, Tel Blough, Past President Gibbel, Development Committee Representative Beachley and Secretary Brumbaugh.

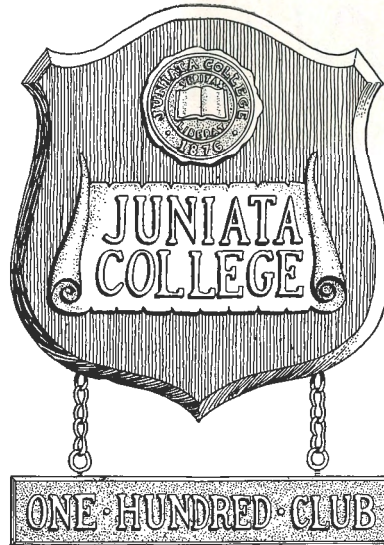

The Committee heartily approved of the Trustee's selection of Donovan R. Beachley as the alumni representative on the Juniata Development Committee and wishes him to serve indefinitely until other arrangements are made.

Some time was given to the question of allocating credit for contributions from alumni who have class affiliation in more than one class. It was decided to continue the policy already established in which an individual is to receive credit in all of his affiliated classes where he has earned a Juniata degree. Caution is to be exercised in the final tabulation of totals because of duplications involved. In cases where Mr. and Mrs. have class affiliation in different classes, credit is to be divided, giving one half credit in each class unless otherwise requested. This credit is to be split only if two different cards are signed or if the contribution card or check is signed Mr. and Mrs.

It was agreed that if a gift or contribution is made to the College, to some fund or project outside of the major project, credit should be given to the individual and the Alumni Association provided the contribution is an acceptable one and can receive a definite money value.

The alumni questionnaire which was presented by President Judy was considered and the Committee decided that it should accompany the January issue of the Alumni Bulletin.

Friends of the Library

Two and one-half years ago a group of people interested in books and libraries assembled on the campus to organize an active association known as "The Friends of the Juniata College Library." It is hoped that eventually every alumnus will become interested in the group. At least, everyone is invited to attend the annual tea held in the Library in the afternoon of Alumni Day at each Commencement season. At that time a display of gifts, rare books, and other objects is arranged and a report of progress made during the year is given.

At the present time there are two hundred fifty active members of the organization of which Mr. J. A. Warfel, of Pittsburgh, is the president. Mr. Warfel is not an alumnus but has proved himself a most loyal and active friend, for through his efforts alone more than one thousand volumes have come to Juniata in the past two years. Mr. Will Judy, president of the Alumni Association is likewise both interested and active, making frequent contributions of books and magazines. Cash gifts have been set aside as a special purchasing fund, and many subscriptions to journals have been received.

Space does not permit special mention of the many alumni and friends who have contributed generously. However, three times during the year a "Friends of the Library Bulletin" is published in which full acknowledgment of gifts received is made along with book reviews and suggested reading lists. Anyone interested in becoming actively associated with the group should write to Miss Lillian Evans, the Librarian, for further information. There are no membership "dues," other than a genuine interest in maintaining and further enriching the library of Juniata College.

153 of this year's student group are closely related to Juniata alumni. The sophomore class leads with a list of 48. The Juniata Sports Parade

By JACK OLLER
Member Athletic Board of Control

The 1939 Juniata football season, disastrous though it was, was characterized by two encouraging factors. For the first time since their 14-7 victory in 1923, the Indians defeated their arch-rivals, the Drexel Institute eleven, 20-13. And a large number of under-classmen gained experience which should stand them in good stead in coming seasons; at one time during the season there were seven freshmen playing the game for Juniata.

Juniata opened her season quite auspiciously with a win from the Hartwick College eleven on the Iroquois' own gridiron. The score was 7 to 6.

A week later, the Indians brought home another scalp, this time defeating Thiel in the game renewing athletic relations between the two schools, 13-6.

Homecoming Day saw the Indians go down again to defeat, this time to Washington College for the first time since the rivalry began in 1937. The alert southern team displayed a strong aerial attack and capitalized on several breaks to score two touchdowns, and their defense functioned to perfection as they blanked the Swartzmen for the first time during the season. The final score was 13-0.

Captain George Weber.

In summary, the Indians won three and lost four games, and totaled 58 points as against 109 points for their opponents. But the team lost only five players through graduation, and prospects for next year seem bright. Three Juniata men were given honorable mention on the All Pennsylvania College Football team, Captain Weber at end, Nettleton at guard, and Grega at back.

Coach M. R. "Carty" Swartz and Coach P. M. "Mike" Snider were aided this year by Danny Geiser, stellar back of the class of 1939, who returned to the campus to do post graduate work and to assist the coaches.

Perry Tyson, dependable blocking back, was elected captain for the 1940 season. Experienced players which he will have behind him will be the complete backfield from

the past season, including Leopold, Grega, Strayer, Brenner, Guth, Pentz, Shelly, Conley, and Dillen. Ends will be strong despite the loss of Captain Weber's defensive ability and offensive brilliance, for the Indians will have Sheffer, Reklis, and Cuttshall for terminal posts. Returning tackles are Joachim, Zwicker, Moses, and guards will be Nettleton, Bonsell, and Valenzi. Only at center will the Swartzmen be without experience, and it is conceivable that that situation will be remedied by the time next season arrives.

Juniata basketball fans had an insight into the prospects for basketball for the season at hand when they saw the Indian five defeat Bridgewater in one of the most exciting games imaginable. After a game in which the score was tied no less than sixteen times, and which needed an extra period for the final decision, the Blue and Gold team emerged victorious, 44-41. Albie Leopold tallied 18 points to lead the scoring for both teams.

Coaches Swartz and Snider, however, have an enormous task facing them in their efforts to put out a winning basketball team this year. Captain George Weber and Albie Leopold are the only regulars returning from last year. Other experienced players are George Reigner, Jack Sheirer, Bob Barben, and Perry Tyson. From last year's freshman team came Tony Reklis, Murray Weight, Lloyd Noffsinger, LeRoy Simkins, and Jack Strayer. Walt Joachim is a promising freshman who should make a regular player. From the intramural ranks comes Lloyd Bergstresser.

The team will be a tall one, most of the members of the squad towering above six feet. There are accurate passers, sharpshooters, and agile floormen.

AROUND THE CAMPUS

Library Treasures

Editor's Note: *The writer of this review, the young German librarian, Gerhard Friedrich, has spent more than six months in the college library identifying and annotating the German volumes and manuscripts. Most of these were presented to the college by the late president, Martin Grove Brumbaugh from the Abraham Cassel collection.*

Mr. Friedrich, a Quaker by faith, left Germany last March and came to Juniata under a grant from the Carl Schurz Memorial Foundation and the Oberlander Trust of Philadelphia. The college is particularly indebted to Dr. Wilbur K. Thomas, the director of the Carl Schurz Foundation.

The recent positive identification and verification of a priceless pre-Luther Bible in the Juniata College library, establishes the 62nd known existant edition of the rare two volume Swiss Bible. The Juniata library is now the sixth in the United States to possess the Bible which belongs to the transition period between manuscript and movable type in the early days of printing; and Wilhelm Walther, an outstanding German bibliographer, describes it as the fifth of fourteen pre-Luther Bibles printed in High-German. Walther insists that it must have been printed somewhere in Switzerland, probably in Basel, about the year 1474. Most recently it has been assigned to the press of Johann Sensenschmidt in Nuremberg, between 1475 and 1478. Even though the Bible is known as the Swiss Bible or "Schweizer Bibel," it does not contain any Swiss expressions, but the High German text has been adapted to the Swiss dialect phonetically.

The text is arranged in two columns, with 57 lines to a column, in most cases. There are many irregularities in spelling and numeration. All capital letters are partly or entirely done by hand, and at the beginning of each Psalm the first words are given both in Latin

and German. The woodcut initials are remarkably well executed. Moses is pictured with horns because of an old misinterpretation in the second book of Moses, Chapter 34, Verse 35. In the Hebrew language the word "horn" does frequently mean a beam of light.

Among the watermarks, carefully placed in the middle of many pages, there is one which presents the head of an ox, with a daisy on a high stem between its horns. The fly-leaves show dimly the three wise men from the East, with crowns and a six-pointed star in the heavens. The Juniata copy of the 464 year old Bible contains a printed "ex-libris" on the inside front cover of both volumes bearing the name of Matthias Jacob Adam Steiner. Dr. Steiner, who was minister of St. Ulrich's Cathedral, Augsburg, from 1783 to 1796, owned a large collection of Bibles.

Although a few leaves are lacking at the beginning and at the end, the copy in the library of Juniata College is otherwise well preserved. Of the 61 copies of the Swiss Bible located during a recent survey only five are owned by institutions in this country. These are: The New York Public Library, The Union Theological Seminary, New York City; The Notre Dame University Library, The Huntington Library, San Marino, California, and the Library of Congress, Washington, D. C. To this list is now added the Library of Juniata College.

Extension Courses

College extension courses are being offered by the College on the Huntingdon Campus and also in the Webster Building, Altoona. These sessions are under the direction of Dr. Fayette A. McKenzie, professor of sociology.

Courses offered through the extension division are: character education, current history, American

government, advanced sociology, visual education, economics, and freshman English.

Students Honored

"Who's Who Among Students in American Universities and Colleges" has selected eight Juniata students for recognition in the 1939-40 issue to be released throughout the country in January or February of this year. The students are selected on the basis of character, scholarship, and outstanding contributions to student and college life. Students thus honored are:

Miss Gaines has the unique honor of being listed for the second consecutive year in the publication.

President of the College, Dr. C. C. Thomas, stands before the new \$130,000 auditorium at Altoona, Pa., on October 28, 1939. Mr. S. M. Heston, of the Altoona Press-Telegram, is speaking at the left.

During last season, it was estimated that the Juniata Choir sang to 12,000 people on their concert tours. This did not include the many who have heard the group over the air.

The evening and Sunday sacred concerts contain music from such composers as Palestrina, Bach, Handel, Beethoven, Mendelssohn, and Christiansen. Included in this program are two numbers written for the Juniata Choir by Mr. Bornschein, of the Peabody Conservatory of Music, a former teacher of Professor Rowland.

Who's Who Among the Juniata Alumni

The name labelled "CR" at the head of each class paragraph is the class representative. "HR" indicates the Alumni Association honor roll and lists the names of active members who have contributed to the association since June 15, 1939. The honor roll will be continued in the next issue and the total class contributions will be summarized with the names of contributors in the July bulletin.

Associate membership is listed on page 14.

In spite of these many business activities, Mr. Swigart has been able to devote time to his hobby of collecting. At the present time, his first interest is in collecting old automobile name plates. JUNIATA COLLEGE ALUMNI ASSOCIATION

January 1940

FELLOW ALUMNI:

Juniata enters its 64th year in 1940 with new goals and new methods but with the same old Juniata ideals. Changing conditions almost overnight compel us to plan intelligently and strive diligently at all times. Dr. Hutchins of the University of Chicago recently stated that the Terrible Thirties was a disastrous decade for educational endowments, which decreased 52% during these ten years. In other words, Juniata faces a constant struggle to build up a sufficient endowment fund to take care of the needs of the present and more so of the future.

The Alumni Association's goal and obligation for the year is a membership of 1,000 contributing a total of \$10,000 to this year's major project—the auditorium. We broke ground for the auditorium on October 27 in the midst of a rainstorm but before we had finished, a rainbow appeared to the north over the old Corbin farm, which we all accept as an omen of success to come.

The auditorium, so much needed, will be the first new building on College Hill in ten years. With more than 9,000 graduates and former students, 19 regional alumni groups, and a hard-working executive committee and set of officers, we are on our mark to reach our goal, renew interest in Juniata on the part of several thousand and who have gotten out of contact with the institution for one reason or another, and to support the college with our dollars, our prayers and our thots.

There is listed as "Honor Roll" in the Who's Who class item section of this bulletin the names of all active members to date. We plan to repeat this honor roll in the April number. If you have not already sent in your contribution to the alumni secretary, do so today. The amount is at your discretion and you will find much pleasure in "giving until it hurts." Few of us have dollars to spare but we can always stretch a point and give liberally to a cause which repays in many ways. Do it now and let it be your good deed for the day.

Harold Brumbaugh as alumni secretary is doing a splendid job. Do not hesitate to contact him by letter or otherwise at any time for any service the Alumni Association can give you. Remember that you have a date with me—June 1, Alumni Day on College Hill. Mark your calendar now and I will be seeing you on the first day of June.

Yours for the college "set in a thousand hills"

WILL JUDY, President, Alumni Association,

3323 Michigan Boulevard, Chicago, Ill.
